YOUR DREAM IS OUR MISSION

Trusted Suppliers

Legacy Interior Supply provides quality kitchen and bath cabinetry, countertops, hardware, and interior finish products for homeowners, contractors, builders, and designers.

We focus on dependable materials, clean design, and practical solutions that help bring each project together with confidence. Whether you are updating a kitchen, remodeling a bathroom, or sourcing products for a larger build, our team helps make the process simple from selection to completion.

Our goal is to offer products that look great, perform well, and fit the needs of each space. With a commitment to service, value, and reliable product support, Legacy Interior Supply is here to help you create interiors that feel finished, functional, and built to last.

Our kitchen has truly become the heart of our home, a place where memories are made and cherished every day. Thanks to L&C Cabinetry, we have a beautiful space that feels timeless and full of warmth.

-Lennox Fields

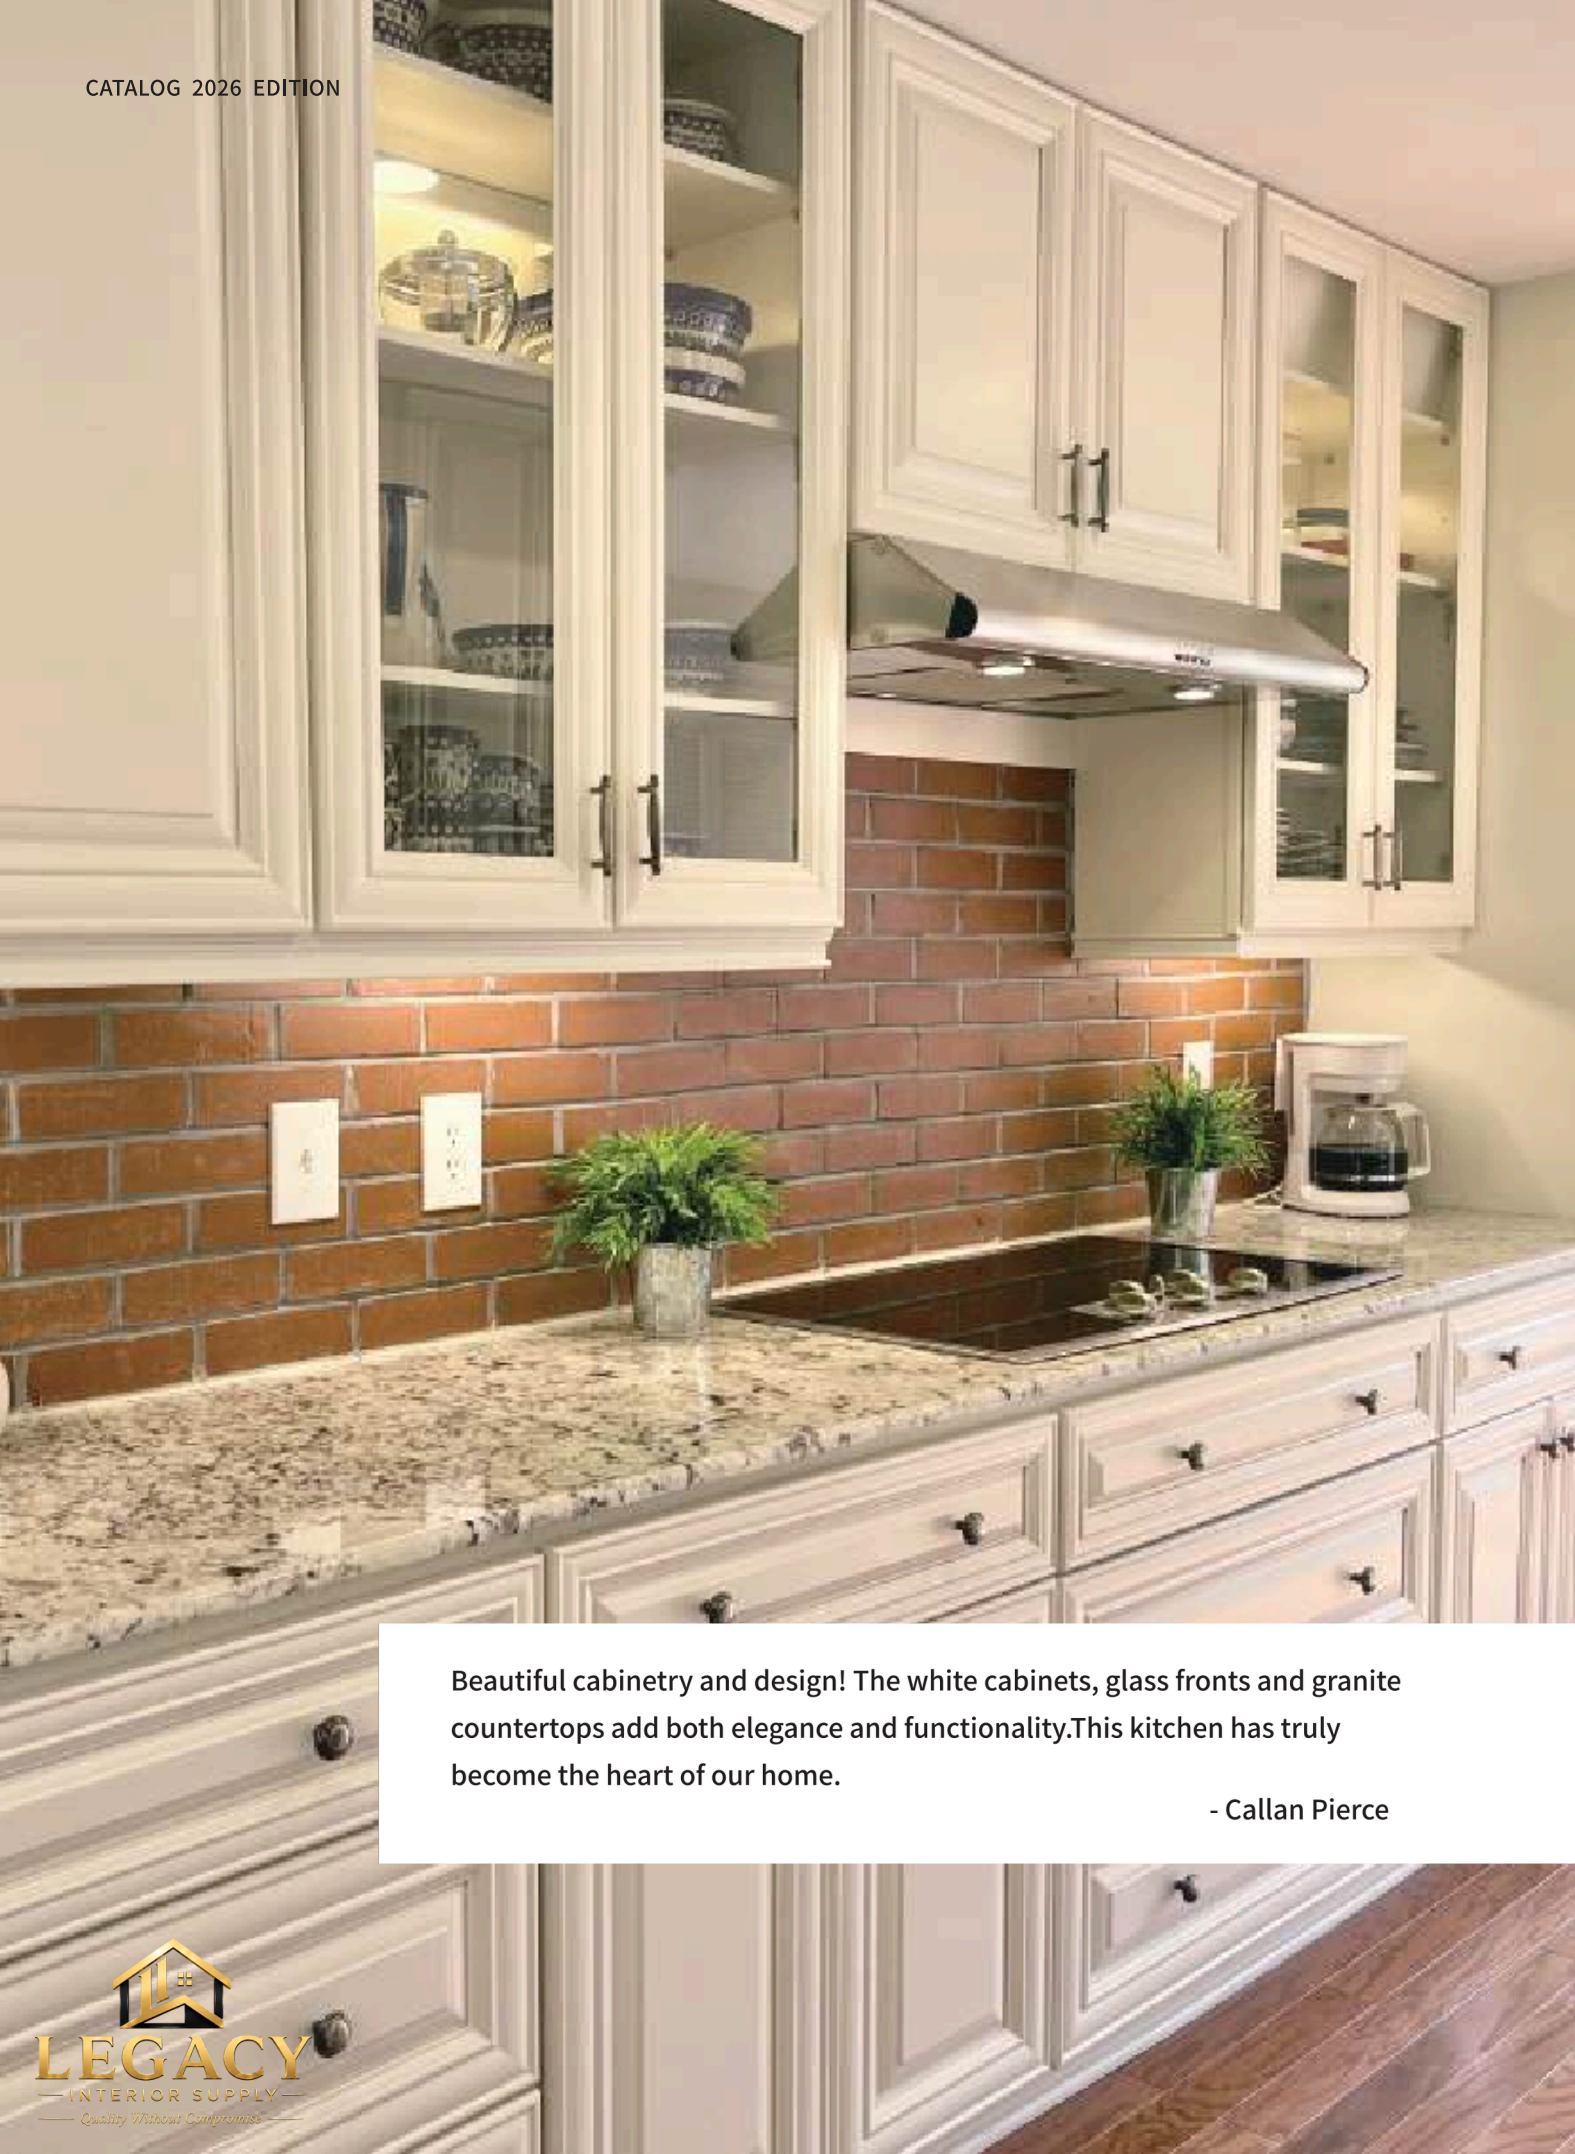

This vanity completely transformed my bathroom! The clean lines and ample storage make it both stylish and functional. Every detail feels high-quality, and it adds such a modern, elegant vibe to the space. Couldn't be happier with this addition!

-Williams, T Bridges

Beautiful cabinetry and design! The white cabinets, glass fronts and granite countertops add both elegance and functionality. This kitchen has truly become the heart of our home.

- Callan Pierce

Elegant and functional! The dark cabinets and glass tile backsplash add a modern touch, while the spacious island and pendant lighting make it perfect for cooking and entertaining. Highly recommend!

- Brinley Parker

TION

INTRODUCTION

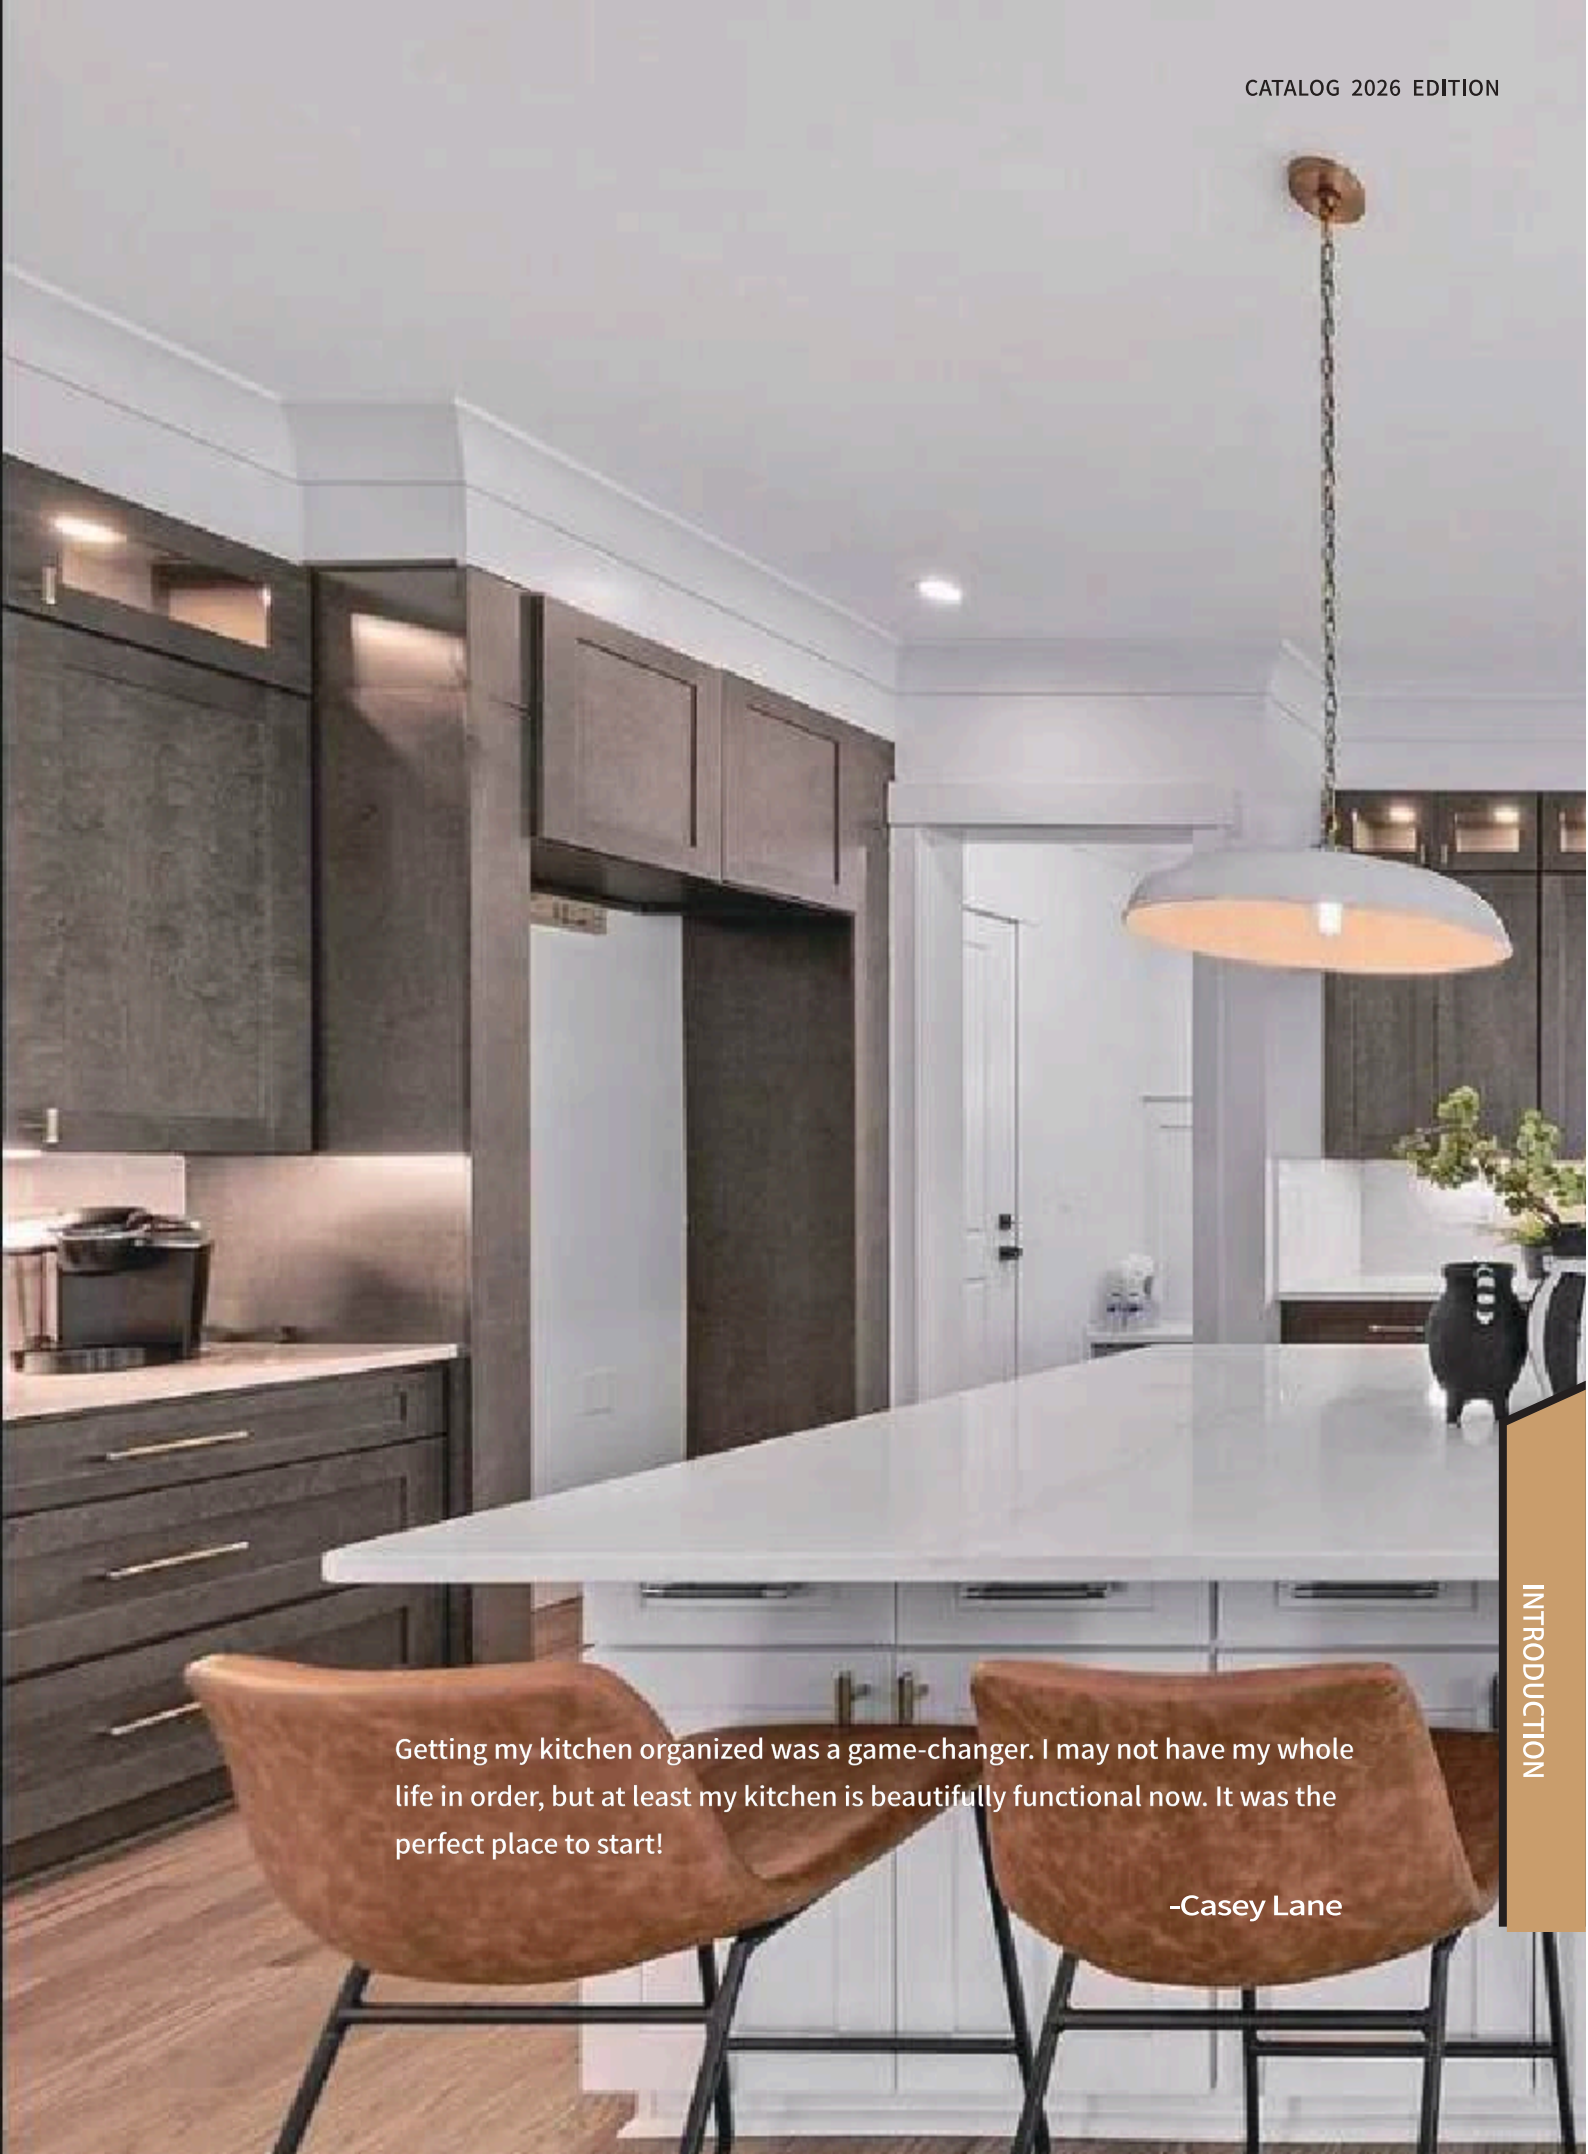

© COPY RIGHT OF L&C CABINETRY

I love this kitchen! The sleek gray cabinets and subway tile backsplash bring a modern, clean look, while the spacious island is perfect for both cooking and casual dining. It's a space that feels like the heart of the home!

- Arden Sinclair

YOUR DREAM IS OUR MISSION

Getting my kitchen organized was a game-changer. I may not have my whole life in order, but at least my kitchen is beautifully functional now. It was the perfect place to start!

-Casey Lane

INTRODUCTION

LIMITED -3 YEARS WARRANTY

Legacy Interior Supply offers a limited warranty (the "Limited Warranty") to the original purchaser ("You") of any cabinet or vanity distributed by us (each, a "Product"). This Limited Warranty applies exclusively to Products sold to the original purchaser. We guarantee that each Product will be free from defects in material and workmanship, under normal use and maintenance, for the specified warranty period. Please contact us for more details.

What Does the limited Warranty Cover?

Subject to the exclusions and limitations outlined in this Limited Warranty, we warrant that each Product will be free from defects in material and workmanship under normal use and maintenance. The warranty period for your Product is valid as long as you own the dwelling or structure in which your Product was originally installed.

The Limited Warranty Does Not Apply to Products That Are:

1. Installed or used outdoors.
2. Used for purposes not intended or designed by us.
3. Subjected to misuse, vandalism, abuse, negligence, accidents, or unauthorized modifications.
4. Improperly stored (if the Product requires storage, it should be kept in a humidity- and temperature-controlled environment, away from direct sunlight).
5. Improperly installed, cleaned, or maintained (please consult the applicable Use and Care instructions for proper handling).
6. Exposed to improper temperature, moisture, or humidity extremes.
7. Damaged by fire, flood, acts of God, or other external causes beyond our control.
8. Exhibiting normal wear and tears.

WALL CABINET CONSTRUCTION

BASE CABINET CONSTRUCTION

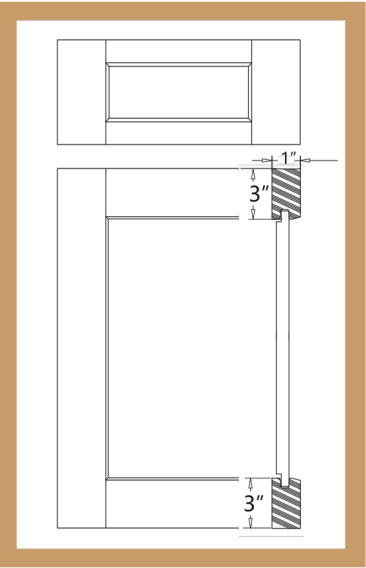

CONSTRUCTION DETAILS / FOR D / G / M / S SERIES

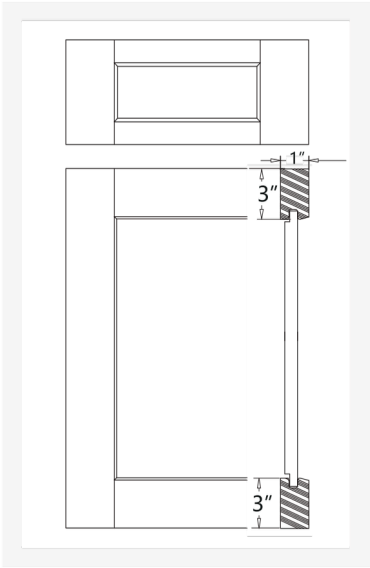

1. **Concealed Hinges** – 6-way adjustable, with a 110-degree opening angle; 90-degree hinges are also available. Features a soft-close door system.

The Delicate Art of Cleaning High Gloss Kitchen Cabinets

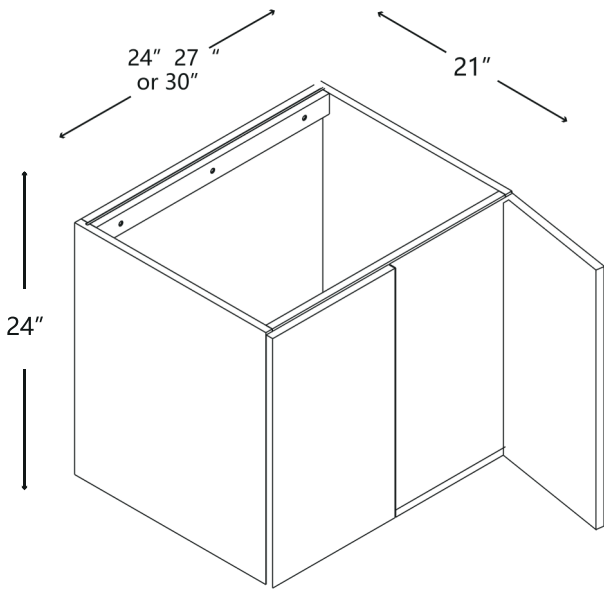

High-gloss cabinets require careful cleaning to maintain their shine and appearance. Follow these guidelines to ensure a showroom finish without compromising quality.

Gentle Cleaning Tools for Achieving a Clean Glossy Finish

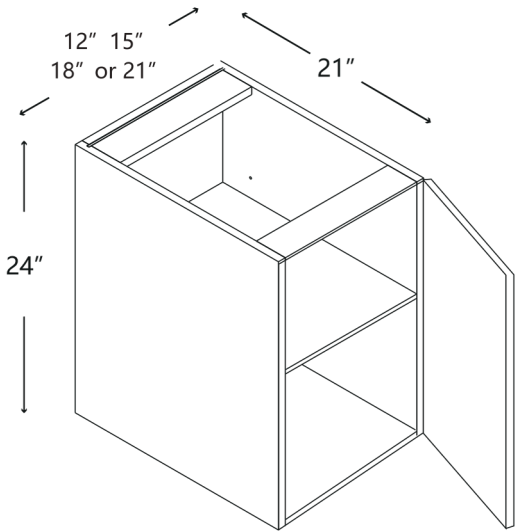

- **Microfiber Cloth:** Use a soft, lint-free microfiber cloth for dusting and polishing without scratching the surface.
- **Mild Soap Solution:** Mix gentle dish soap with water. Apply lightly to avoid soaking the wood beneath the gloss.
- **Avoid Abrasives:** Do not use cleaners with abrasive particles, scrubbing pads, or harsh chemicals, as they can dull the gloss.

Taking Care of Stains and Spills

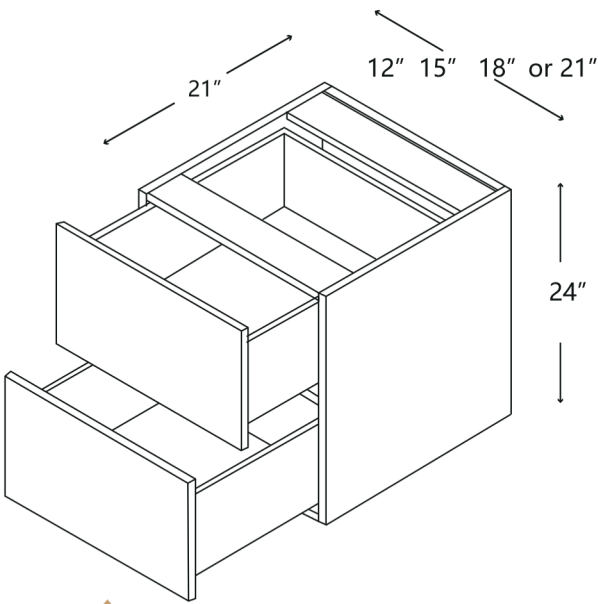

- **Dealing with Grease and Oil:** Use a cloth with mild detergent to gently remove grease.
- **Removing Water Marks:** Apply a paste of baking soda and water with a soft cloth.
- **Dealing with Stubborn Stains:** A vinegar and water solution can help, but test on a small area first to ensure it does not affect the gloss.

MEASUREMENT GUIDE

Before You Start

- ★ Record all measurements in inches (do not round).
- ★ Ensure all recorded measurements are clear and legible.
- ★ Assign one person to handle and record all measurements.

Record Ceiling Heights & Wall Lengths

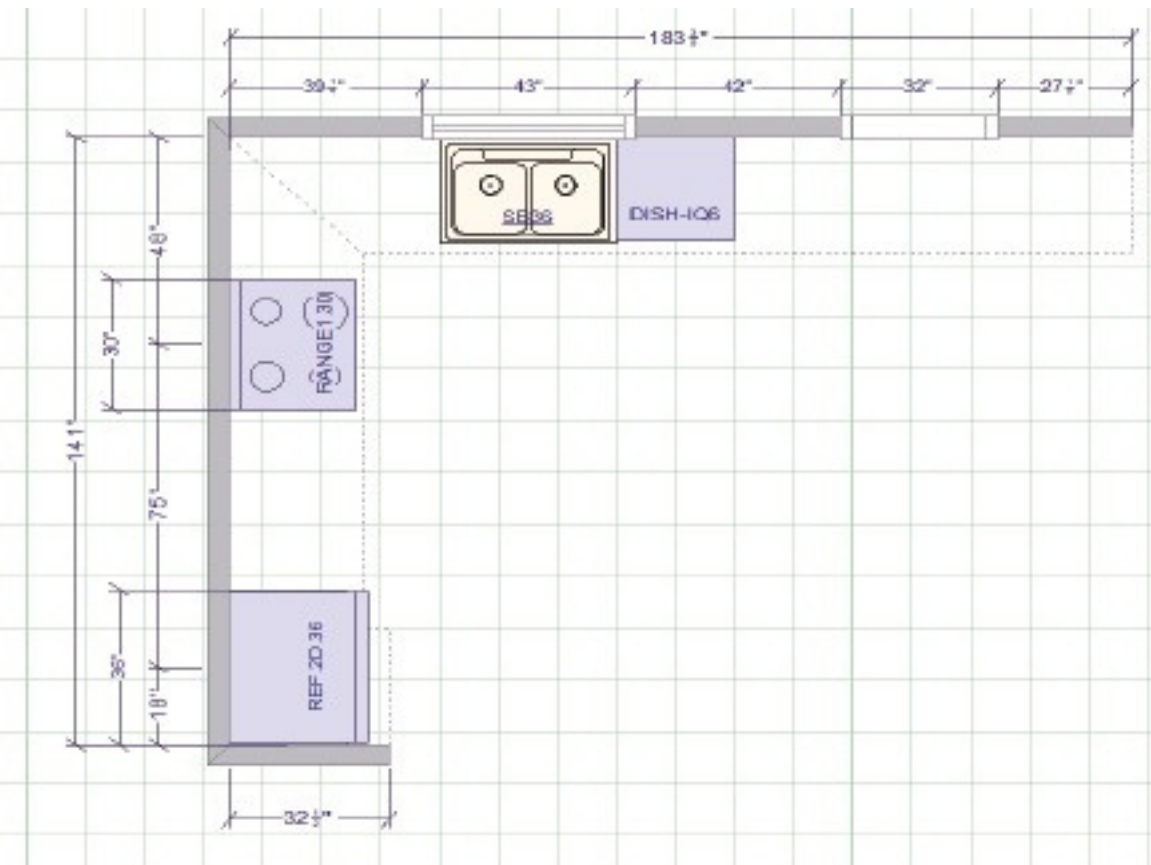

- ★ Draw an outline of the room.
- ★ Record ceiling height on your outline:
 - ✦ Measure from the floor to the ceiling or the base of the soffit.
- ★ Record wall lengths on your outline:
 - ✦ Start in one corner of your project area and measure to an adjacent wall.
 - ✦ Continue around the room until all necessary walls have been measured.

Measure Windows

- ★ Include window trims in your measurements.
- ★ Record each window's width, height, and distance from the floor to the window on your outline.
- ★ Add window locations to your outline:
 - ✦ Start at the corner of any wall containing a window, measuring to the outside trim or edge of the window.
 - ✦ Continue around the room until all windows have been added to your layout.

Measure Appliances

- ★ Measure or research the width, height, and depth of your sink and all appliances.
- ★ Add the sink location to your outline:
 - ✦ Start at the corner of the sink wall and measure to the center of your sink.
- ★ Add appliance locations to your outline:
 - ✦ Note the dishwasher's location in relation to the sink (left or right).
 - ✦ Start at the range wall corner and measure to the edge of your range.
 - ✦ Start at the refrigerator wall corner and measure to the edge of your refrigerator.

Record all measurements in inches (do not round) on the next page.

Steps for Accurate Room Measurements

1. Draw an Outline of the Room
 - Create a simple sketch of the room's shape.
2. Measure Wall Lengths and Ceiling Height
 - Record the length of each wall from corner to corner.
 - Measure the ceiling height from the floor to the ceiling (do not include any existing cabinets in this measurement).
3. Mark Doorways and Windows
 - Indicate the location of each doorway and window on your outline.
 - Record the width of each, including any trims, as well as the distance from the wall corner.
4. Add Appliance Locations
 - Identify the placement of appliances such as the sink, range, and refrigerator.
 - Measure and record the width of each appliance and its distance from adjacent walls.
